

BILL DUNBAR AND ASSOCIATES, LLC

INNOVATIVE HEALTH CARE MANAGEMENT

Bill Dunbar and Associates, LLC (BDA) provides revenue management consulting services with a primary emphasis on documentation, coding, and reimbursement. Since 1988, BDA has successfully assisted providers in enhancing outpatient reimbursement through **improved coding, and documentation**. BDA brings unique expertise in the specialties of occupational medicine and urgent care, which are key focus areas for our company.

- Comprehensive Revenue Operations/Systems Review
- Review of CPT and ICD-9-CM Codes and Fees with Chargemaster and Fee Schedule Recommendations
- Assessment of Current Reimbursement Issues through EOB and CMS 1500 Review
- Education of Providers and Staff following Complete Analysis of Current Documentation and Coding
- Reference Binders and Training Manuals
- Documentation Assistance
- Development of Customized Forms and Templates
- Quarterly Audits/Analysis of Documentation/Coding/Reimbursement
- Ongoing Training based on Analysis Results
- Chart Audits
- Coding Hotline
- Medical Documentation Alerts
- Annual Chargemaster and Fee Ticket Recommendations
- Electronic Support Programs
 - BDA Claim Correct® (Claims Scrubber for Omissions & Accuracy)
 - BDA Challenge Program® (EOB Appeals Program)
- Assistance with EMR selection and Implementation
- Contractual Relationship Based on Aligned Incentives

If you would like to optimize the financial return from your existing business by increasing the net revenue per visit, contact us today. Complete a complimentary preliminary analysis that allows us to quantify the value BDA can bring to your program. Learn about our contract that creates incentives both for BDA and our clients to achieve success.

Let this be the year when your program's financial viability improves from revenue growth rather than expense reduction.
