Occupational Medicine Clinical Care Update: the Complete Collection - Volume 2

Occupational Medicine Clinical Care Update was published 22 times a year by the National Association of Occupational Health Professionals from April 15, 1994 to December 13, 2010. Volumes 1 and 2 each contain approximately half of the *Complete Collection*. The articles are sorted alphabetically by topic. Within each numbered topic section, articles are listed in reverse chronological order.

Infection Control

| | | | |
|-----------------|---|--|----|
| Vol. 17, No. 5 | Health Care Provider Flu Shots Encouraged | Various Sources | 2 |
| Vol. 16, No. 15 | Occupational Health Key to Flu Algorithm | Various Sources | 4 |
| Vol. 15, No. 20 | Preventing Occupational Gastroenteritis | Alain Couturier, M.D. | 6 |
| Vol. 15, No. 6 | Gearing Up for the 2008-09 Flu Season | Various Sources | 9 |
| Vol. 14, No. 16 | Hand Hygiene Essential Preventive Tool | William Brooks, M.D. & Susan Clark, M.D. | 11 |
| Vol. 14, No. 12 | Response to 'Bad Bugs' is Widespread | Various Sources | 13 |
| Vol. 14, No. 7 | Antibiotic Choices for Bacterial Infections | Michael LeWitt, M.D., M.P.H. | 15 |
| Vol. 13, No. 20 | Controversy Swirls Around Lyme Disease | Various Sources | 17 |
| Vol. 12, No. 19 | Antibiotic Resistance A Health Threat | Various Sources | 19 |
| Vol. 12, No. 17 | Adult Pertussis an Occupational Concern | Marian Swinker, M.D., M.P.H. | 21 |
| Vol. 12, No. 10 | Infection Reporting Requires Expertise | Various Sources | 23 |
| Vol. 11, No. 9 | Workplace Flu Shot Options Now Limited | Various Sources | 25 |
| Vol. 11, No. 8 | Flu Season Offers Outreach Opportunity | Various Sources | 27 |
| Vol. 10, No. 22 | Elements of a Biological Safety Program | Debra Hunt, Dr.PH | 29 |
| Vol. 10, No. 12 | Preparing for a Recurrence of SARS | Various Sources | 31 |
| Vol. 9, No. 22 | Managing Exposures to Hepatitis C | Miriam Alter, Ph.D. | 33 |
| Vol. 9, No. 8 | At-Risk Groups Focus of Flu Vaccine Activity | Various Sources | 36 |
| Vol. 7, No. 15 | OSHA Adopts Needle Safety, Recordkeeping Rules | Various Sources | 38 |
| Vol. 7, No. 7 | Contingency Plans for Influenza Vaccine Shortage | Various Sources | 40 |
| Vol. 6, No. 6 | Physicians Play Crucial Role in Tetanus Prevention | Kumar Alagappan, M.D. & Lawrence Schiff, M.D. | 42 |
| Vol. 5, No. 22 | Lyme Disease Challenges in the Occupational Health Setting | Mary Sheeley, M.Ed., C.O.H.N.-S | 44 |
| Vol. 5, No. 18 | Recommendations for Immunizing Health Care Workers | James Dossey, M.D. | 46 |
| Vol. 4, No. 15 | Tuberculosis: Understanding Occupational Exposures | John Schaller, M.D., M.P.H. | 48 |
| Vol. 4, No. 13 | Should Sewage Workers Receive Hepatitis A Vaccine? | Alain Couturier, M.D., M.S. | 50 |
| Vol. 3, No. 19 | Post-Exposure Prophylaxis for HIV-Exposed Workers | Linda Clever, M.D. | 52 |
| Vol. 1, No. 9 | Applications of the Bloodborne Pathogens Standard | Gary Fujimoto, M.D. | 54 |

II. Injury Evaluation and Treatment

| | | | |
|-----------------|--|--|----|
| Vol. 15, No. 12 | Traumatic Brain Injury A Workforce Issue | Paul Folkert & Shannon Swick | 57 |
| Vol. 15, No. 10 | A Standard for Ankle Injury Management | Various Sources | 59 |
| Vol. 13, No. 5 | Shoulder Impingement Warrants Study | Various Sources | 61 |
| Vol. 12, No. 14 | Guidelines Apply to Post-Trauma X-Rays | Michael LeWitt, M.D., M.P.H. | 63 |
| Vol. 12, No. 3 | Shoulder Injury Risk Factors Examined | Kurt Hermann, M.D., M.P.H. | 65 |
| Vol. 10, No. 21 | Treatment and Management of Acute Burns | Dennis Orgill, M.D., Ph.D. | 67 |
| Vol. 9, No. 20 | Understanding and Preventing Foot Injuries | Kenneth Leavitt, D.P.M., F.A.C.F.A.S. | 70 |
| Vol. 4, No. 8 | Caring for Cold- or Heat-Induced Injuries | Cdr. Bruce Cohen, M.D. | 72 |
| Vol. 4, No. 7 | Diagnosis and Treatment of Work-Related Knee Injuries | Eugene Toner, M.D. | 74 |
| Vol. 4, No. 1 | Corneal Foreign Bodies and Use of the Ophthalmic Slit Lamp | Dennis McClain, M.D. | 76 |
| Vol. 3, No. 18 | Preventing and Managing Work-Related Hand Injuries | Joseph Kutz, M.D. & Christine Kleinert | 78 |
| Vol. 3, No. 16 | Prevention, Treatment of Post-Concussion Syndrome | Lorne Direnfeld, M.D. | 80 |

III. Legal and Ethical Issues

| | | | |
|-----------------|---|--|-----|
| Vol. 17, No. 12 | Rules Clarify Handling of Genetic Information | Various Sources | 83 |
| Vol. 16, No. 7 | ADA Revisions Subject to Public Content | Various Sources | 85 |
| Vol. 15, No. 13 | Legal Reforms Affect Medical Practice | Various Sources | 87 |
| Vol. 10, No. 7 | Case Has Implications for Practitioners | Illise Feitshans, J.D., Sc.M. | 89 |
| Vol. 9, No. 3 | Federal Rulings Impact Medical Practice | Various Sources | 91 |
| Vol. 8, No. 11 | OSHA Rules Clarify First-Aid-Only Model | Thomas Winters, M.D. | 94 |
| Vol. 8, No. 3 | Work Injury, Illness Record-Keeping Rules Revised | Various Sources | 96 |
| Vol. 7, No. 19 | Light Shed on Genetic Testing as a Screening Device | Various Sources | 98 |
| Vol. 7, No. 6 | ADA 'Direct Threat' Ruling Puts New Spin on Health Risk | Gary Hatcher, D.O., M.P.H. | 100 |
| Vol. 7, No. 2 | Physicians Will Be Subject to Privacy, Security Rules | Various Sources | 102 |
| Vol. 6, No. 17 | Report Writing in the Dispute Resolution Process | California Compensation Insurance Fund | 104 |
| Vol. 4, No. 12 | CDL Medical Certification Rule Changes Proposed | Natalie Hartenbaum, M.D. | 106 |
| Vol. 4, No. 5 | The Nuances of Granting Medical Leave: A Case Study | Jean Barrett Blake, BSN, MJ | 108 |
| Vol. 4, No. 4 | Federal, State Statutes Influence Medical Leave Decisions | Jean Barrett Blake, BSN, MJ | 110 |
| Vol. 3, No. 4 | Being an Effective Expert Medical Witness | Christopher Brigham, M.D. | 112 |
| Vol. 2, No. 1 | Making Ethical Decisions in Occupational Medicine | Linda Clever, M.D. | 114 |

IV. Mental Health

| | | | |
|-----------------|--|--|-----|
| Vol. 17, No. 11 | Study Reveals Prevalence of Mental Illness | Various Sources | 117 |
| Vol. 16, No. 19 | Somatic Symptom Disorders Under Review | Various Sources | 119 |
| Vol. 12, No. 8 | Dealing with Symptom Magnification | Leonard Matheson, Ph.D. | 121 |
| Vol. 10, No. 19 | Psychiatric Fitness-for-Duty Examinations | Robert Larsen, MD | 123 |
| Vol. 8, No. 16 | Using Stages of Change to Motivate Patients | Bruce Sherman, M.D. & Neil Quinn, M.S. | 125 |
| Vol. 8, No. 7 | Guidelines for Dealing with Psychological Trauma | ACOEM | 127 |
| Vol. 6, No. 19 | Non-Medical Factors in Illness and Injury Treatment | Dean Wampler, M.D. | 129 |
| Vol. 6, No. 18 | Non-Medical Factors in Illness and Injury Treatment | Dean Wampler, M.D. | 131 |
| Vol. 6, No. 1 | Legal Aspects of Mental Disabilities Under the ADA | Howard Mavity, J.D. | 133 |
| Vol. 2, No. 8 | Evaluating and Treating Workers for Serious Depression | Peter Holland, M.D. | 135 |

V. OEM Research Updates

| | | | |
|-----------------|---|-----------------|-----|
| Vol. 14, No. 21 | Current OEM Research Findings: In Brief | Various Sources | 138 |
| Vol. 14, No. 22 | OEM Research Findings in Brief: Part II | Various Sources | 140 |
| Vol. 15, No. 19 | Research Relevant to Daily Practice | Various Sources | 142 |

VI. Outcomes, Benchmarking and Quality Assurance

| | | | |
|----------------|---|---|-----|
| Vol. 7, No. 13 | Implementing a Clinic Quality Assurance Program | Eric Wohlrab, M.D., M.P.H. | 145 |
| Vol. 7, No. 3 | Using Employer Report Cards to Grade Performance | Donna Lee Clark (Gardner), R.N., M.S. | 147 |
| Vol. 4, No. 10 | Benchmarking Highlights Need for Accountability | Donna Lee Clark (Gardner), R.N., M.S. | 149 |
| Vol. 2, No. 22 | Outcomes Evaluation in Workers' Compensation Medical Care | Glenn Pransky, M.D. & Jay Himmelstein, M.D., M.P.H. | 151 |

VII. Pain Management

| | | | |
|----------------|---|------------------------------|-----|
| Vol. 16, No. 4 | Another Way to Interpret Pain Scale | Steven Levine, Ph.D. | 154 |
| Vol. 16, No. 1 | Neck Pain Rehabilitation: Part I | Michael Erdil, M.D. | 156 |
| Vol. 16, No. 2 | Neck Pain Rehabilitation: Part II | Michael Erdil, M.D. | 158 |
| Vol. 15, No. 7 | Pain Guidelines Generate Friction | Karen O'Hara | 160 |
| Vol. 14, No. 6 | Analgesics for Injury-Related Pain: Part II | Michael LeWitt, M.D., M.P.H. | 163 |

| | | | |
|-----------------|---|---|-----|
| Vol. 14, No. 5 | Analgesics for Injury-Related Pain: Part I | Michael LeWitt, M.D., M.P.H. | 165 |
| Vol. 13, No. 2 | Pain Management on National Agenda | Various Sources | 167 |
| Vol. 10, No. 20 | Study Suggests Prolotherapy Reduces Pain | James Matthews, M.D. | 169 |
| Vol. 9, No. 7 | Effects of Continuous Heat Wrap Therapy | Ron Stout, M.D., M.P.H..... | 172 |
| Vol. 9, No. 2 | Therapeutic Benefits of Cold and Heat | Kurt Weingand, Ph.D. | 174 |
| Vol. 2, No. 13 | Migraine Headache in the Workplace: Practice Implications | Bonnie Rogers, Dr.PH, C.O.H.N., F.A.A.N. | 176 |

VIII. Physician Leadership and Management Issues

| | | | |
|-----------------|--|---|-----|
| Vol. 17, No. 7 | Guide Identifies Ways to Find Best Physicians | Various Sources | 179 |
| Vol. 16, No. 16 | Appreciating Medical Director’s Pivotal Role | Steven Crawford, M.D. & Victor Salvo, M.D. | 181 |
| Vol. 16, No. 11 | Physicians Subject of Daily Practice Study | Various Sources | 183 |
| Vol. 15, No. 1 | Steps for Superior Patient Communication | Hari Dhir, M.D., M.P.H. | 185 |
| Vol. 13, No. 10 | Physician Shortage a Growing Concern | Karen O’Hara | 187 |
| Vol. 13, No. 3 | Standards Help Define Physicians Role | NAOHP | 189 |
| Vol. 9, No. 17 | Strong Physician-Manager Interface Essential | Ron Teichman, M.D., M.P.H. | 191 |
| Vol. 7, No. 4 | Physician Managers Act as Trainers, Evaluators | Keith Tarter, M.D., M.P.H. | 193 |
| Vol. 7, No. 1 | An Argument in Favor of Leadership Education | Gregory Phelps, M.D., M.P.H., C.P.E. | 195 |
| Vol. 6, No. 13 | Understanding the Physician’s Role in Care Management | Lester Sacks, M.D., Ph.D. | 197 |
| Vol. 5, No. 2 | Competencies in Occupational, Environmental Medicine | Various Sources | 199 |
| Vol. 2, No. 21 | The Primary Treating Physician’s Role as Medical Manager | Philip Wagner, M.D..... | 201 |
| Vol. 2, No. 18 | Using Physician Incentives to Optimize Clinical Quality | Steven Schumann, M.D. | 203 |

IX. Public Health/Population Health Management

| | | | |
|-----------------|---|---|-----|
| Vol. 16, No. 20 | Workers Memorial Day Services as a Reminder | Various Sources | 206 |
| Vol. 16, No. 12 | Making the Business Case for Work Safety | Ray Estrada & Karen O’Hara | 208 |
| Vol. 15, No. 22 | ‘Exemplary’ AED Program Earns Citation | John Perkner, D.O. | 210 |
| Vol. 15, No. 8 | Overcoming Cultural Barriers to Care | Ed Zuroweste | 212 |
| Vol. 14, No. 13 | Lost-Time Injuries Reflect Risks, Solutions | Various Sources | 214 |
| Vol. 12, No. 11 | Epileptic Workers Often Misunderstood | Various Sources | 216 |
| Vol. 12, No. 6 | Health Care Disparities a Pervasive Issue | Various Sources | 218 |
| Vol. 11, No. 20 | Overcoming Hazards in Oral Health Care | Various Sources | 220 |
| Vol. 11, No. 17 | Addressing the Needs of Hispanic Workers | Various Sources | 222 |
| Vol. 11, No. 14 | Injury Trends Reveal Employers Needs | Karen O’Hara | 224 |
| Vol. 11, No. 13 | Older Workers Need Preventive Care | Various Sources | 226 |
| Vol. 11, No. 11 | Farmers Have Unmet Health, Safety Needs | Carolyn Sheridan, R.N. | 228 |
| Vol. 11, No. 5 | A Population-Based Approach to Care | Susan Abeln, P.T. | 230 |
| Vol. 11, No. 2 | Physicians Find Roles in Disaster Planning | Various Sources | 232 |
| Vol. 10, No. 13 | Bioterrorism Threats Real and Perceived | Bruce Baker, M.D. | 234 |
| Vol. 10, No. 9 | Young Working Women Face Health Risks | Virgina Graves, R.N.c.M.S. | 236 |
| Vol. 9, No. 18 | AED Programs Require Attention to Detail | E. Jay Van Cura, M.D., M.P.H. | 238 |
| Vol. 8, No. 14 | Allergic Rhinitis Impacts Worker Productivity | Various Sources | 240 |
| Vol. 5, No. 9 | Guidelines for Treating Overnight, Obese Patients | National Heart, Lung, and Blood Institute | 242 |
| Vol. 2, No. 15 | Caring for Women in an Occupational Health Practice | Linda Clever, M.D..... | 244 |

X. Public Safety Personnel

| | | | |
|-----------------|--|----------------------------|-----|
| Vol. 17, No. 4 | Pre-Placement Screens for Response Workers | Various Sources | 247 |
| Vol. 17, No. 1 | Firefighters’ Cardiovascular Health Examined | Various Sources | 249 |
| Vol. 13, No. 17 | Fire Fighter Exams Focus on Work Fitness | Various Sources | 251 |
| Vol. 12, No. 5 | Manual Provides Insights on Police Exams | Various Sources | 253 |
| Vol. 2, No. 17 | Occupational Hazards of Firefighters | Stephen Dawkins, M.D. | 255 |

XI. Reproductive Health

| | | | |
|-----------------|---|--|-----|
| Vol. 14, No. 15 | Reproductive Hazard Evaluation Tools | Fred Fung, M.D., Bryan Liang, M.D., Richard Clark, M.D. | 258 |
| Vol. 14, No. 14 | Reproductive Toxicity A Complex Issue | Fred Fung, M.D., Bryan Liang, M.D., Richard Clark, M.D. | 260 |
| Vol. 3, No. 12 | Managing Reproductive Hazards in the Biotech Industry | Reid Boswell, M.D., M.P.H. | 263 |
| Vol. 1, No. 10 | Addressing Reproductive and Developmental Hazards | Dana Headapohl, M.D. | 265 |

XII. Respiratory Protection

| | | | |
|-----------------|--|---|-----|
| Vol. 15, No. 21 | Evidence, Legalities, Practicalities Lead to Creation of New Functional Capacity Test Applications | Susan Isernhagen, P.T. | 268 |
| Vol. 15, No. 16 | Pulmonary Treatment Guidelines Available | Daphne Denniston | 271 |
| Vol. 11, No. 3 | Longitudinal Lung Function: Evaluating Change Over Time in Occupational Settings | Mary Townsend, Dr.PH. | 273 |
| Vol. 11, No. 1 | Finding the Right Respirator for the Job | John Schaefer & Craig Thorne, M.D., M.P.H. | 276 |
| Vol. 4, No. 20 | Part II: Standardized PFTs in the Occupational Setting | Mary Townsend, Dr.PH. | 278 |
| Vol. 4, No. 19 | Part I: Standardized PFTs in the Occupational Setting | Mary Townsend, Dr.PH. | 280 |
| Vol. 4, No. 18 | Standard Updates Respirator Fit Testing Requirements | David Wallace, M.S.P.H., C.I.H. | 282 |
| Vol. 4, No. 17 | OSHA Issues New Respiratory Protection Standard | Anthony Suruda, M.D., M.P.H. | 284 |
| Vol. 2, No. 7 | Guidelines for Medical Evaluation of Respirator Use | Joseph Fannuchi, M.D. | 286 |
| Vol. 1, No. 8 | Clinician's Role in Occupational Respiratory Disease | Philip Harber, M.D. | 288 |

XIII. Return-to-Work Strategies

| | | | |
|-----------------|--|--|-----|
| Vol. 17, No. 10 | Clinical Criteria Facilitate Return to Work | Steven Crawford, M.D. | 291 |
| Vol. 15, No. 3 | Motivating Patients to RTW: Part II | Donald Murphy, D.C., D.A.C.A.N. | 293 |
| Vol. 15, No. 2 | Motivating Patients to Return to Work | Donald Murphy, D.C., D.A.C.A.N. | 295 |
| Vol. 12, No. 20 | Ability Concepts Apply In RTW Cases | James Talmage, M.D. & J. Mark Melhorn, M.D. | 297 |
| Vol. 12, No. 7 | Setting the Limits for Return To Work | James Ausfahi, M.D. | 299 |
| Vol. 9, No. 13 | Using Disability Duration Guidelines in RTW | Patricia Whelan & Philip Denniston. | 301 |
| Vol. 8, No. 6 | Making Workstation Adjustments Part of the Solution | Jan Frustaglia, R.N., C.O.H.N.-S. | 303 |
| Vol. 3, No. 22 | The Clinician's Role in Modified Alternative Duty Programs | Roger Landry, M.D. | 305 |
| Vol. 3, No. 8 | Design, Utilization of Job Analysis in Occupational Practice | Annette Haag, R.N., C.O.H.N. | 307 |
| Vol. 16, No. 14 | Avoiding Common Errors in the Return-to-Work Process | Mary Jo Wakeman, M.D. | 309 |

XIV. Skin Diseases

| | | | |
|-----------------|---|-----------------------------------|-----|
| Vol. 16, No. 21 | Occurrence of Occupational Dermatoses Examined | Various Sources | 312 |
| Vol. 13, No. 8 | Patch Tests Confirm Contact Allergens | Various Sources | 314 |
| Vol. 10, No. 1 | Recognizing and Treating Skin Diseases | Barbara Bielan, N.P.C. | 316 |
| Vol. 7, No. 22 | Using Patch Tests to Establish Contact Allergy | Kalman Watsky, M.D. | 318 |
| Vol. 5, No. 15 | Managing Latex Allergies in a Health Care Setting | Paul Simeca. | 320 |
| Vol. 3, No. 17 | Latex Hypersensitivity in Occupational Medicine Practice | Alain, Couturier, M.D., M.S. | 322 |
| Vol. 3, No. 15 | Prevention of Occupational Contact Dermatitis | C. G. Toby Mathias, M.D. | 324 |
| Vol. 3, No. 14 | Association, Causation of Work-Related Contact Dermatitis | C. G. Toby Mathias, M.D. | 326 |
| Vol. 2, No. 20 | Clinical Management of Environmental Skin Diseases | Raymond Suskind, M.D. | 328 |
| Vol. 2, No. 19 | Skin Diseases and the Occupational Environment | Raymond Suskind, M.D. | 330 |

XV. Sleep Disorders

| | | | |
|-----------------|---|----------------------------------|-----|
| Vol. 14, No. 11 | Guidance for Treating Sleep Disorders | Various Sources | 333 |
| Vol. 11, No. 6 | Shift Workers at Risk of Sleep Disorder | Bruce Sherman, M.D..... | 335 |
| Vol. 4, No. 3 | Sleep and Respiratory Control Disorders: Implications for Working | Philip Harber, M.D., M.P.H. | 337 |

XVI. Stress

| | | | |
|----------------|---|-----------------------|-----|
| Vol. 13, No. 7 | Work Stressors, Cardio Health Linked | Various Sources | 340 |
| Vol. 7, No. 5 | Stress Research Emphasizes Role of Working Conditions | Various Sources | 342 |

XVII. Transportation Medicine

| | | | |
|-----------------|---|--------------------------------------|-----|
| Vol. 15, No. 5 | CDL Medical Oversight Under Scrutiny | Karen O'Hara | 345 |
| Vol. 12, No. 13 | Driver Exams May Require Certification | Various Sources | 347 |
| Vol. 11, No. 16 | Railway Medical Standards Under Review | Various Sources | 349 |
| Vol. 11, No. 7 | New Driver Services Hour Rules Vacated | Various Sources | 351 |
| Vol. 9, No. 21 | CDL Cardiovascular Disease Guidelines Issued | Natalie Hartenbaum, M.D., M.P.H..... | 353 |
| Vol. 8, No. 20 | Learning to Think "DOT" During A Medical Exam | Richard Donze, D.O., M.P.H..... | 355 |
| Vol. 8, No. 19 | Medical Criteria for DOT Examinations | Various Sources | 357 |

XVIII. Travel Medicine

| | | | |
|----------------|--|--|-----|
| Vol. 16, No. 9 | Medical Implications of Air Travel: Part 2 | Jan Stepanek, M.D., M.P.H. | 360 |
| Vol. 16, No. 8 | Medical Implications of Air Travel: Part 1 | Jan Stepanek, M.D., M.P.H. | 362 |
| Vol. 14, No. 3 | Expertise Needed to Safeguard Travelers | Francine Olmstead, M.D. & John Diaz, M.D., Dr.PH. | 364 |
| Vol. 9, No. 11 | Ensuring Safety and Health During Travel | J. David Clyde, M.D. | 366 |
| Vol. 5, No. 20 | Travel Medicine Represents Practice Growth Opportunity | Bill Lindsey, C.H.E. & Debra Reeves | 368 |
| Vol. 2, No. 3 | Preparing Workers for Foreign or Isolated Assignments | Raymond F. Jarris, Jr., M.D. | 370 |

XIX. Utilization Management

| | | | |
|-----------------|---|-----------------------------------|-----|
| Vol. 16, No. 22 | Physicians Demystify Utilization Review Process | Various Sources | 373 |
| Vol. 16, No. 5 | Utilization Management System Decreases Practice Variation, Outcome Study Shows | Various Sources | 375 |
| Vol. 13, No. 6 | UM Tool: A Means to Improve Quality | Bruce Sherman, M.D..... | 377 |
| Vol. 5, No. 21 | An Insider's View of Utilization Management | Marjorie Eskay-Auerbach, M.D..... | 380 |
